

Tailored solutions to meet specific needs

Decosimo tailors its approach to Hedge Fund Services to meet the specific needs of asset managers. We provide a wide range of services to both domestic and off-shore hedge funds with a seasoned team of professionals dedicated to the unique challenges you face.

Decosimo clients benefit from a personal approach combined with decades of experience working with clients who manage and invest assets throughout the world. Since 1971, we have represented dozens of funds with innovative solutions for sellers, buyers and financial intermediaries.

From the first steps of establishing a hedge fund to maintaining and growing the fund, Decosimo is with you every step of the way with the core solutions that make a difference:

Business Advisory Services

We provide a comprehensive business advisory approach that focuses on maximizing growth, tax efficiency, and compliance. Our services range from fund structuring to advice in determining brokerage, legal, investment manager, and administrator relationships.

Assurance Services

Our flexible audit approach includes a systematic planning method. When creating your audit plan, we work closely with your personnel to develop expectations, minimize risk, and provide a cost-effective audit tailored to your circumstances.

Tax Services

We help you find the right approaches to complex tax questions and take pride in the way we support our clients on tax issues.

Our services include providing advice on personal tax matters, including estate, trust, gift, and foundation planning. We will also advocate your position throughout the regulatory and tax return processes.
